HERITAGE RESTHOUSES COLLECTION OF SRI LANKA

A Joint Venture of CHC | CG Hotels & Resorts

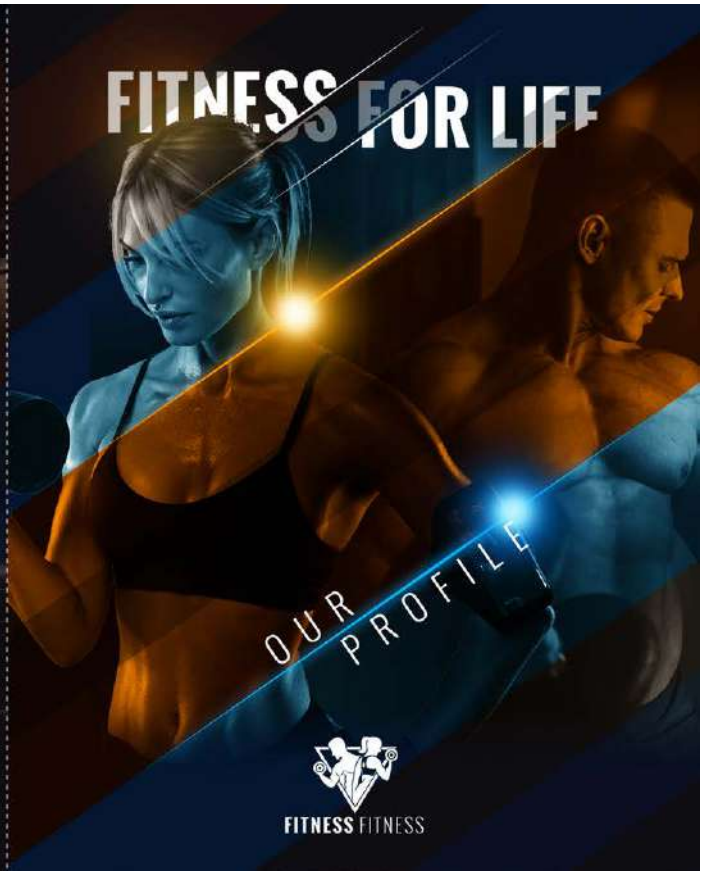

Colombo International Airport Hotels Pvt. Ltd. was incorporated in 2018 in view of initiating a much-needed value addition for travelers at present and for the future in partnership with the Airport and Aviation Services of Sri Lanka Limited.

This proposed mega mix development project is located adjoining the Bandaranaike International Airport (Colombo Airport, Sri Lanka) and the Katunayake Export Processing Zone (dedicated manufacturing facility with special operational concessions) in a 3 acre land.

The proposed 4 star hotel will benefit directly being close proximity to two of the 'hubs' connected through a pedestrian access gate to the Export Processing Zone and to the Airport, granting a unique attribute not found near any other hotel elsewhere in Sri Lanka. The project is also located close proximity to the 'Miracle Dome' which is a 5,000 seat conference facility.

WELCOME TRAVELS
On the other hand, we denounce with righteous indig- nation and dislike men who are so beguiled and de- moralized by the charms of pleasure of the moment, so blinded by desire, that they cannot foresee.
The pain and trouble that are bound to ensue; and equal blame belongs to those who fail in their duty.
